

Hi girls and boys,

Ms Donnelly here. I hope you are all well and keeping safe the last few weeks. I hope you are also helping your parents out at home as best you can. I am sure you miss going out to play, and you miss all your school friends, but you will see them all again before too long. I miss hearing all your wonderful stories and news. Im sure lots of you have lost some more teeth the last two weeks. I know the tooth fairy is still out and about so you dont have to worry about that!

I know I gave you school work to do and that it might be a little bit difficult to get it all done because you are not in school and I can't help you with it but all you have to do is your best. If you can't do it all, then don't worry. A big brother or sister, or your parents might be able to help. The most important work is reading - and you can do that yourself! I'll also let you in on a secret... you can learn lots of different things through playing! If you can, play outside in your garden, play with blocks/Lego, play pretend games. Don't forget to relax with your families as well. Those things are far more important right now!

I will set more work for you next week - check back here. But remember, do not worry or get upset if the work is too hard. Just do what you can. Be kind to each other and help at home!

I look forward to seeing you all again soon

Ms Donnelly
