

To the wonderful boys and girls from room 18,

It's Ms Burns here. I hope you are all keeping safe and well at home. I know this is a very hard time for you as I'm sure you miss all your school friends, as well as missing all your clubs and activities after school. I'm missing you all very much, especially all your funny little stories, and I can't wait until we are all together again to hear about what you've been up to. (check out some of the photos I've added of you all busy working on your projects - you make me so proud to be your teacher!)

While you're at home, it's very important that you do what your parents tell you and help out as much as you possibly can. You are so kind and helpful in school each day and I know you'll try your very best to do the same at home. I know you have school work to do and that it might be a little bit difficult to get it all done because you are not in school and I can't help you with it. But please, just do your best. If you can't do it all, then don't worry, I'll understand. A big brother or sister, or your parents might be able to help. If they can't, then just do the work that you are able to do yourself. The most important work is reading - remember I always say it is one of your five a day for your brain. Don't forget to play lots of games, build Lego, make comic strips, watch family movies, and have fun in the garden every time the weather is good. Those things are far more important right now!

I will set more work for you next week - check back here on the website. I will also post up the answers to the Mental Maths, Mathemagic and Reading Zone activities that you have done already so that you can be teacher and go back and correct your work. Don't forget to give yourself a nice comment at the end, you deserve it! Ms. Carragher will also send out regular messages. But remember, do not worry or get upset if the work is too hard. Just do what you can. Your best is good enough for me. Lastly, be kind to each other and don't forget to help at home!

I look forward to seeing you all again very soon.

Take care.

Ms. Burns
