

Hi to all the boys and girls in room 15,

I hope you are all keeping well at home and enjoying the unexpected free time! It is very important that you all listen to your parents and follow their advice for the next while. You must all be missing your friends, but you'll be able to see them soon enough, I'm sure. I miss all of you and would love to be going into the classroom each day and seeing you all. I hope you're all doing your best, at your own level to complete some or most of the work that I gave you to do last week. I know it's difficult as it's different doing the work at home but please do your best. And maybe your parents or an older sibling can give you some help.

Remember DEAR time too! You're all such good readers. I'll be really looking forward to hearing about the different books you read over these few weeks. Try and complete the tourist brochure I gave you to do. It will be great to see what countries you chose! You could complete another book review, if you wanted to also. Try and get some exercise in each day too!

Remember to play as well..complete a lego challenge, play a board game, do some art, try out that tricky jigsaw and most of all be kind to each other. I will be setting some more work for you next week, so check back here. But don't worry if you can't complete it all, just do your best. Try and do a little each day, with lots of breaks in between.

I look forward to seeing you all again soon.

N Brennan
