

March 2020

Hi to all of the wonderful children from Room 9,

Ms. Connolly here! I hope you are all keeping safe and well at home. Isn't this a very unusual time for us all? I am sure you miss all your school friends and going out to play, but you will see them all again before too long. I am really missing you all and look forward to getting back to school too. Boys and girls, guess who loves having Ms. Connolly at home all the time ... Doris ☺ I have been wondering about some of the things you have been getting up to over the past couple of weeks and I cannot wait to hear all of your exciting news and I am wondering what is going to come in for show and tell! I know you have school work to do and that it might be a little bit difficult to get it all done because you are not in school and I can't help you with it. But please pretend you are in school and remember what I always say, as long as you just try your best then that's ok, don't worry about anything else, I know your best. If you can't do it all, then don't worry. A big brother or sister, or your parents might be able to help. If they can't, then just do the work that you are able to do yourself. The most important work is reading - and you can do that yourself! I wonder how many books you will get to read while you are at home? If you like you can keep a list just like you did with the Readathon. Don't forget to play lots of games, watch family movies, and have fun in the garden every time the weather is good. Those things are far more important right now! I wonder if your sunflowers are growing, the ones I planted are, don't worry if they haven't started to grow yet, you can plant more seeds later in the year. Perhaps with your parents help and permission as the flowers get quite tall you could send a picture to the Scoil Mochua twitter account. I will set more work for you next week - check back here. Ms. Carragher will also send out regular messages. But remember, do not worry or get upset if the work is too hard. Just do what you can. I know you will all be kind to each other and help at home because that's exactly how the lovely children you are would behave and we all know how important it is to be kind, kind, kind in room 9.

*I look forward to seeing you all again soon,
Stay safe,*

Ms Connolly.
