

# Virtual Tour

[https://www.youtube.com/watch?v=au7viurf\\_ho](https://www.youtube.com/watch?v=au7viurf_ho)

Today's tour will take us to Croke Park. This is the home of the GAA and of course we have often watched our county teams playing. The atmosphere in Croke Park on match days is amazing. Even though the people beside you may support the other team, there is a feeling of friendliness.

You will need to watch the video more than once. I want you to watch the video before you look at the questions. Then read through the questions and look at the video again, see if you can find the answers! You may need to stop the video to check your answers.

What sports are played in Croke Park?	
At the beginning of the video we see some water. Do you know what it is? PS: this body of water also passes close to our school, up by the railway!	
We also see a mode of transport. What do we see?	
What is Croke Park called in Irish? You can see it in the video!	
In the video, what is the name of the sponsor over the tunnel?	
What time does it say on the clock in the dressing room?	
You see a sign in red writing. What does it say (it's only 3 words)	
We see two lots of fans. One group in Blue and Yellow and the other in Black and Amber – do you know what teams these could be?	

What sport were Ireland and Wales playing?	
We see the Press Box. Who would use this?	
There are high stands around 3 sides of the stadium. What is the lower stand called? (the one with no roof)	
Which teams' supporters are known for standing on Hill 16?	
How many players are there in the design on the side of the building?	
Can you draw and colour the Kildare team playing a match in Croke Park?
