

Hi to all the super girls and boys in Room 11!

Ms Burke here and I want to send a big "hello" to you all! I hope you and your families are all keeping well at home during these very strange times. I am sure you miss going out to play and you miss your school friends but you will see them all again before too long. I have to admit I am missing school a lot too. I have nobody to ask to sit up straight, or have a point on your pencil, use capital letters and full stops, write neatly and take care with spellings! I also miss all your lovely news, dancing around the room and our funny little laughs and jokes but we will all be back soon.

I know you have some school work to do and I hope that you are working away doing a little every day if you can. It might be difficult to get it all done because you are not in school and I can't help you with it. All you can do is your best and you are not to worry at all if you are stuck on anything. Remember if it's a maths problem, read it three times, draw a little picture and try your best. Maybe an older brother or sister or your parents can help. If they can't, don't worry and move on to the next thing you are able to do. I will set some more work for you next week - check back here. Ms Carragher will also send out regular messages.

The most important work (and teacher's favourite activity) is reading - and you can all do lots of that yourself!! Don't forget though to play lots of games, make up puzzles, draw and write cards to your friends and grandparents, watch family movies and have great fun in the garden every time the weather is good. Those are the most important things right now!

To my lovely class, I am asking you for the next while, to do what your parents tell you, to help as much as you can around the house and to play nicely with your brothers and sisters. In school you are always so helpful, you are very hard workers, you are polite, patient and funny and most of all you are kind. I know that you are trying your best to be all these things at home now too.

I look forward to seeing you all again soon and hearing all your news.

Ms Burke
