

Hi boys and girls,

I hope that you and all of your families are keeping well. I'm sure you are all doing your best to help out at home and that you're all listening to your parents. I miss seeing you all in school and hearing all of your news. I can't wait to hear about what you have been doing to keep busy when we get back to school.

I know it is hard right now because you can't see your friends, but you will see them again soon. I hope you are all getting outside to play while the weather is good and that you're playing lots of board games too. Don't forget to help your parents with jobs around the house and be kind to each other.

There's lots of ideas on our school website for work that you can do at home. I know that it is tricky because I can't help you with your work. I would like you to do your best with some of the activities, but there is no need to worry if you can't get them all done! Two things I'd like you to try to do every day is to read and exercise.

If you don't get a chance to do all of your school work, or if it is too difficult, please don't worry. I would just like you to try your best, and do what you can.

I look forward to seeing you all again soon,
Ms Daly
