

*Hi children,*

*Ms Curley here. I hope you are all keeping safe and well at home. It is very important that you do what your parents tell you for the next while. I am sure you miss going out to play, and you miss all your school friends, but you will see them all again before too long. It is important to keep doing a little school work each day. Your parents are all very busy at this time too so try to work with your brothers and sisters if you can. If you find some of the school work suggestions hard don't worry! Do what you can, try your best and make up games to make this time at home fun. The most important work is reading and tricky words - and you can do that yourself! Don't forget to play lots of games, watch family movies, and have fun in the garden every time the weather is good. Those things are far more important right now! I will set more work for you in the coming weeks - check back here. Ms Carragher will also send out regular messages. But remember, do not worry or get upset if the work is too hard. Just do what you can. Be kind to each other and help at home!*

*I really look forward to seeing you all again soon,*

*Ms. Curley.*
