

Hello boys and girls in the Hazel Room,

Ms Adams here. I hope you're all well and are keeping safe at home. This is a very strange time for us all and I'm sure you're all missing going out to play and your school friends. I miss school and all the wonderful children in our class too. Just like all of you, I'm at home with my family and my two doggies. I am doing work for school too and reading lots of books. Don't be worrying children, I hope that we will be back in school very soon to continue doing lots of fun activities together.

When we are in school we always follow our Golden Rules and all the boys and girls are very good at remembering them. Maybe we could try some of our Golden Rules at home? That sounds like FUN!

1. Listening ears- It is really important to use your listening ears and listen to your parents and do what they ask you to do for the next while. I know that you are all very good listeners!
2. Kind Hands and kind words- You're all very kind and helpful children. Maybe you could help your parents do some small jobs, just like you do in class! Remember to keep those 'kind' hands CLEAN! Use your kind words to say a big 'THANK YOU' to your parents as they are all doing a great job looking after you and helping you.
3. Try your best- Teacher gave you some activities to do while we are off. Try to practise your sounds, tricky words, reading and writing. Just a little bit of school work when you can and your parents are free. You're all super workers in school so keep up the great work at home. Don't worry if you can't get it all done. Teacher wants you to try your best and I will be very happy with that. I am so proud of you all and so are your parents.
4. Have FUN!- This is the most important thing. Make sure to PLAY lots and enjoy this time off with your family. Read books, play a game, make up a new game, watch movies, build things, draw pictures and enjoy the lovely weather in the garden. Keep an eye out for some signs of springtime too!

I can't wait to hear all of your stories and news when we get back to school. Maybe you could draw some pictures of things you did or made to show teacher and your friends when we get back to school. Maybe we could do a 'Show and Tell' session just like we did for the Grandparents pictures!

I will be back on here next week with more activities and updates. Ms Carragher will also update the school website so keep an eye out! Looking forward to seeing you all soon. Keep smiling everybody!

Bye for now,

Ms Adams
