Scones

- 1 cup of milk
- 1 egg, beaten
- 2 handfuls of sultanas

Equipment

- mixing bowl

SCONES – 3

Sometimes, when we imagine something, we think only about the sense of sight. But what about our other four senses?

- 1 Imagine you are making the scone recipe on page 15. Choose three of the steps listed under 'Method'. Write what you might hear, touch, smell or taste for each one. An example has been done for you.

Step		Senses described
1	<i>the hard, cold metal of the sieve</i> <i>a soft scratching sound while sieving</i> <i>the smell of the flour while sieving</i> <i>chewing a sultana</i>	touch hearing smell taste

- 2 Use your descriptions to help you write a free verse poem about making scones.
